

2011 Catch the Mission Spirit Update

The World Wide Ministries committee would like to update the mission activities guide "Catch the Mission Spirit." To do that the committee **needs your help**. Please review your listing online at www.shenpres.org/missionchallenge.html to determine if your church's information is up to date. If it is not, please send your updated information to the presbytery office. You may print out this form and mail it back or you can send an email to Doug Sensabaugh at doug@shenpres.org with your current information.
