*Yet, O LORD, you are our Father. We are the clay, you are the potter; we are all the work of your hand.*

## *In the Potter's Hands*

What does it mean to be “in the potter’s hands” or “shaped by the master potter”? Do we really believe that an infinite and “not of this world” God created us, and actually placed creative hands upon each and every one of us? And...does this potter still have a hand in shaping us in 2012? Join the growing group of high schoolers who will come together to talk about, hear about, learn about and experience a good word, that yes, we are all in

the Potter’s hands. There will be lots of time to reconnect with old friends, make new ones, discover your potter-given gifts, enjoy the outdoors, be creative, and just be. Hands down, this is going to be good.

### *Meet our Keynoters Howard and Meg Lindsay Dudley*

~ Howard is in his final year at Union Presbyterian Seminary and leads the Presbyterian Student Fellowship at VCU. He's been a youth director in 2 churches as well as a workshop and music leader at Massanetta youth conferences. In his spare time, Howard loves to play golf, play the guitar, listen to live music and be with his bride Meg. He loves Massanetta and is thrilled to be back! Meg is also in her final year at Union PS, working towards Masters of Divinity and Masters of Christian Education degrees. She is interning with the UVA Presbyterian Student Fellowship in Charlottesville and has also been a youth director at churches in VA and in Edinburgh, Scotland. That's right, Scotland! She loves doing crafts, playing the guitar or mandolin, and watching British movies. This is her first time at Massanetta and she can't wait to see what it has in store.

*The SPYCE Band* made up of youth guitarists, pianists, drummers and singers will lead our music.

*What will we do?* The *Opening Mixer* Friday night will get us warmed up and meeting new and old friends.

*Keynotes* during the weekend will unpack the theme with Meg and Howard.

*The Potter's Project* is a creative activity to discover some of our unique gifts and then provide ways to DO this gift. Be prepared to cook, create, plan, organize, visit, listen, repair, play and more!

*Saturday afternoon* will include free time, recreation, Sabbath Space, and rest.

*The Potter's Coffee House* is a time for YOU to share your talents; Vespers and a *Bonfire* with s'mores will follow and then time for our popular *Unplugged*.

Sunday morning will close our retreat with *Worship and Communion*.
