Christ is like a single body,
which has many parts; it is
still one body, even
though it is made up of
different parts. In the
same way, all of us,
whether Jews or Gentiles,
whether slaves or free,
have been baptized into
the one body by the same
Spirit...
from I Corinthians 12:12

One

One sure is a small word and it sure doesn't get across ALL that we hope to talk about this weekend. So, here are some clues as to what we will dig into. **One**...you are **one** singular and awesomely gifted person. God gave you **one** or more gifts and wants you to share this with **one** waiting world. **One**....does not mean we are all the same. We each have our own *calling* that makes us distinct and unique. **One** to know....Jesus is **one** with God and wants us to be **one** with God and **one** another, though, it's **one** hard thing to do sometimes.

One....way to get along is to love **one** another with Christ's love. **One**... thing we know for sure, you have a calling, and the faith community is here to help you figure out who you are and where you are headed.

One....religion is not all we have in our world today. How can we live authentically as Christians and have our identity in the **One** we believe in and understand others too?

You are **one** of many young people today who wants to know and love God, so, "don't miss this **one**".

Word. **One**.
