In 1973, Shenandoah Presbytery was formed from the historic Presbyteries of Winchester and Lexington. Read how that transformation took place and learn about how this Presbytery has continued to do God's work locally, within mission communities, throughout the nation, and around the world. *A Heritage of Service* includes a synopsis of early Presbyterian work in the Great Valley of Virginia, completes the histories of Lexington and Winchester Presbyteries, and then details the development of the new Presbytery in 1973 as well as the merging of the Presbyterian Church U.S.A. Included will be photographs and profiles of the 110 churches in Shenandoah Presbytery as well as chapels and mission communities. The book will include extensive appendices and a detailed index.

YES! I don't want to miss this wonderful opportunity to order *Shenandoah Presbytery: A Heritage of Service* at its prepublication price of \$32 if ordered before September!
