

**What every pastor should
know or ask about the
church web site.**

Communications

Committee

Martin Stokes Chp.

#10 *Is our web site user-friendly?*

or “would-be user” frustrating?

#9 *Are there appropriate links to other denominational sites?*

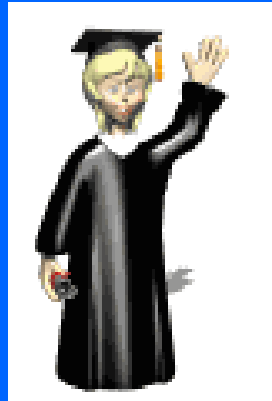

#8

Is the site current?

Or has the baby in the birth announcement just graduated from college?

#7 *Does the site reflect our history, programs, and dreams for the future?*

#6 *Does the site contain a picture of the church, the address, phone numbers, email contacts, and a map?*

#5 *Are the staff and other leaders listed with their contact information?*

How about your web servant?

#4 *Does the web site have something for people of all ages?*

#3 *Are we legally correct?*

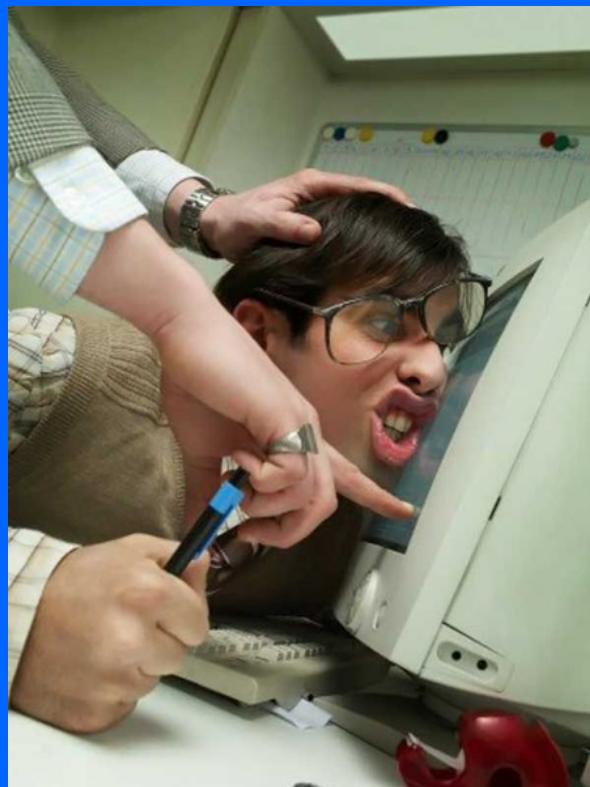

Do we have peoples' permission
to publish their pictures and
other information?

#2 *Do you, your session, and other leaders routinely add or update items to the web site?*

#1

*What is your church's
web site URL?*
